Burst Cartridges - An Alternative to Pipetting for Protein, DNA, and other Precipitations

No pipetting. Centrifuge the Burst cartridge to break the film and collect directly into your collection tube or vial.

Fewer steps and no risk of contaminating your sample with the pellet.

Spe-ed Cartridges

Rimless

Sorbent packed in 6mL, 12mL, 35mL, or 60mL rimless polypropylene cartridge syringe barrels with 20µ Hydrophobic Polyethylene frits.

Other frits available upon request including 70µ and 100µ Hydrophobic Polyethylene or Hydrophilic Polyethylene and 5µ PTFE. Please inquire for prices.

Spe-ed 96-Well Plates

Standard

96-well polypropylene microtiter plates. Square or round. With or without frits.

Run 96 samples at a time. Make your solid phase extraction (SPE) sample preparation easier, faster, and more economical with *Spe-ed* Microtiter plates from Applied Separations.

Economical - Prepare 96 samples at one time. Reduce use of hazardous solvents, operator time, glassware and equipment.

Reproducible - Achieve high recoveries with 2-3% coefficients of variation.

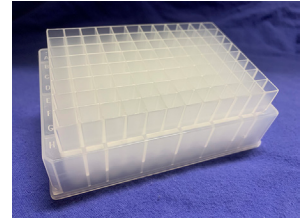

Versatile - Perform extractions with a wide variety of sorbents.

Spe-ed eL/Lute

Liquid/Liquid Extraction on a Solid Phase Support

Applied Separations' Spe-ed eL/Lute disposable liquid/liquid extraction cartridges simplify and speed up multiple liquid/liquid extractions.

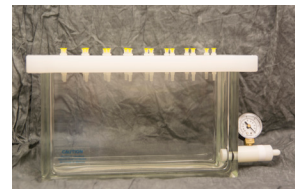

- contain a special grade of high purity, inert diatomaceous earth
- are packed in standard solid phase extraction tubes
- incorporate a phase-separation filtering material to prevent contamination of organic eluents by aqueous matrix
- require gravity only

Spe-ed Mate Vacuum Manifolds

These vacuum SPE processors have chemically inert 1/4" thick glass walled chambers with adjustable racks to accommodate a variety of collection vessels including test tubes, autosampler vials, scintillation vials and volumetric flasks. The units include: a chemical resistant lid, gasket, luer-fitted connections and polypropylene needles, plugs, vacuum gauge controller, and bleed valve assembly. This unit is available in three sizes.
